

Benbrook Bobcat Choir Handbook

2022-2023

Dear Parents and Students,

Welcome to the Benbrook Bobcat Choir 2022-2023 school year! We are excited to make music with your child again, and look forward to invite you along on the journey.

This year in choir, we will be learning proper vocal technique, music reading skills, rehearsal and performance etiquette, and more. It is our hope that each student will gain a deeper understanding and appreciation of music that will lay the foundation for a lifetime of the enjoyment of music and singing.

This handbook is designed to familiarize you with the policies, procedures, and expectations of the choir program. It contains all the basic information you will need as we begin our time making music together. It is the responsibility of each choir member to become familiar with the policies stated in this handbook. After reading the handbook, **please sign and return the “Student Information Sheet”** found on the last page of the packet. This signed form will be recorded as your student’s first grade this semester. Your signature acknowledges your receipt and understanding of the policies contained in the handbook, and serves as an agreement to abide by its contents.

We are looking forward to getting to know each new student this year, and are thrilled to welcome back our choir alums from previous years. Please feel free to reach out to us with any questions or concerns you may have.

Warmly,

Dr. Emily Sáenz, High School Director

CONCERT ATTENDANCE POLICY:

Because this program allows students to receive their fine arts credit/local elective credit for graduation, attendance in class and at required events is mandatory. Students that miss choir class or choir rehearsals and performances will see that their grade is affected. The choir grade make-up policy and late-work policy is in line with the district grading AR. Whenever an absence occurs, students have ONE WEEK from the date of absence to make up that grade. This is MORE than the district AR allows for makeup work. It is the student's responsibility to request a make-up assignment from Dr. Sáenz. Please consult the FWISD Student Handbook for grading guidelines and clarification. If a student misses a mandatory event (concert or rehearsal) for student illness, an email must be sent to the director BEFORE the event. **Unexcused absences will not be eligible for makeup.** Unexcused absences would include:

- Lack of transportation
- Caring for younger siblings
- Work
- Family vacations
- Appointments (other than student illness)
- Non-BMHS athletic events

Make-Up Policy:

Missed Work Because of Absence: A student who is absent but turns work in by the teacher-designated due date, one week from the date of absence, will have an opportunity to redo or retest, if applicable. The Redo/Retake policy does not apply if a student does not submit work timely.

REDO ASSIGNMENT/RETAKE TEST

- Redo Assignment or Retake Test Board Policy allows a student who receives a failing grade on a test or assignment, except for semester exams, the opportunity to redo the assignment or retake the test. The student or parent must initiate the request according to the following parameters:

- The student and/or parent must request to redo an assignment or retake a test within five days from earlier of the date the assignment or test was returned to the student or entered into the student grading system.
 - The student will be provided an opportunity for tutoring or re-teaching prior to retesting. This may occur during class time, before or after school, or at another time agreed upon by the teacher and student.
 - A teacher may require the student to complete missed homework, test corrections, or other items as part of the re-teaching process.
 - A student must redo the assignment or retake the test within five school days from the earlier of the date the assignment or test was returned to the student or the date the grade was entered into the student grading system.
 - A teacher may provide longer than five school days if necessary.
 - Assignments offered for redo or retaken tests may be different from the original assignment or test so long as the concepts/content assigned or tested are the same.
 - Re-testing or redo assignment guidelines do not apply to grades received due to failure to adhere to the established late work guidelines approved by the principal and disseminated to students.
 - Any retests will be administered on the campus.
 - The grade the student receives on the redone assignment or retaken test will be no higher than a 70.
 - A failed semester exam cannot be retaken.
 - If more than 50% of the students in a class fail to demonstrate mastery on a summative assessment, except a benchmark, a teacher is encouraged to reteach and retest the class. The higher of the two grades will be recorded. A student who passed the original test can elect to retake the test. Reassessments should occur within five school days from the date the test is returned with feedback to the student.

UIL Concert and Sight-Reading ASSESSMENT:

Each year the Benbrook Bobcat Choir participates in the UIL Concert and Sight-Reading Assessment to evaluate the work we are accomplishing as a choir. This performance is our equivalent to the STAAR test, therefore it is very important that each student is working hard throughout the year so that our choir might receive the best possible ratings. Due to new changes in the UIL policy, students may perform in the assessment at the discretion of the director, regardless of their academic status. Students must show individual preparation and work ethic to participate in the UIL assessment. Only those whom the Director decides are musically ready will represent the choir in this assessment.

Eligibility

In order to participate in certain extra-curricular activities with the choir program, students must be academically eligible for the six weeks in which the activity occurs. To be eligible, a student must score a 71 or above for all on-level courses on their report card or progress report. If a student receives a 70 or below in any one class, the student becomes ineligible. The best way to avoid confusion on this

topic is for all students to pass all of their classes. Each member of our team is valued and important, we need everyone to be eligible to participate!

Private Voice Lessons:

All interested students are encouraged to take private voice lessons. One of the most important factors in the development of a superior choir program is the development of each individual singer. Private lessons should be thought of as an investment in your child's musical education. Your student has the opportunity to study privately with a professional voice teacher here at Benbrook. Lessons are 25 minutes once a week, and are held during your student's class time. If interested, please sign and return the voice lesson form on our website.

Booster Club Organization:

The Benbrook Bobcat Choir has an incredible Choir Booster Club! Organizations such as these are essential to the success and promotion of our choir department. Booster Club membership forms can be found on the website. It is our hope that all choir families will join the Choir Booster Club, as it is essential to our success. We welcome parent involvement of all kinds! Reach out to Dr. Sáenz to find out how to volunteer. Booster Club Meetings occur on the first Monday of every month at 6PM in the choir room.
